Rides led on other days were also mentioned as - with few exceptions - these tended to be the same Ride Leader every week:

Mario Obejas - Tuesday morning
Sim Ezzes - Friday morning
Craig Sussman - Wednesday Evening
George Brown : Thursday Morning
Tim O'Crowley : Thursday Evening

Statistics for the club: 340 members up from 250ish at last low point.

\$60K in the bank, \$10K reserved for Youth Program

Sponsors present made a presentation:

Craig Barton - CB Home Loans
Matt Tarnay : EZ Clincher
Matt gave a demo on how to mount a tire with his tool.

Founding Member Jim Hannon was invited to say a few words to the group and we gave him applause.

Looking ahead, an Everesting challenge is on the drawing board. There will be ample opportunity to participate fully, partially, or just be part of the support team. The candidate staging site is the Bottom of La Rotunda. The 1145 ft climbing segment goes from there to the domes, Calculations have us doing that 24 times to qualify.

Meeting adjourned at 3:20
